# Senior Play

The Senior Play "Dead of the Night" by James Reach was presented April 18, 1941. The mystery centering around a spy ring during our troubled times was well received by all. Each of the characters performed his part well. There was no comment on the one or another. Rather the comment was "well rounded performance."

The corn field is a battleground.  
The corn shocks soldiers tall and brave.  
The trees are flags of the armies.  
Acorns, the bullets fired by some young knave.  
The wind is the loyal trumpeter.  
The pumpkin the head of some poor slave.  
Red leaves are the soldier's own life blood;  
Snow brings a blanket o'er their grave.

The class in Driver's Education was added to our curriculum in the school year of 1954. Since then more than a hundred students have been trained in operation skills as aided by the instructor in instilling proper driving attitudes.

Such a course in our secondary schools have been necessitated by the tremendous problem which has resulted from the large increase of vehicles using our highways. If the school system has as one of its primary aims in solving of a community's problems then certainly Driver's Education has an important position in its curriculum.

It is not a purpose of this club to train the student in various highway skills, but a prime objective to inculcate upon the mind of the prospective driver that there exist highway manners as well as table manners which if practical lead toward safer and more pleasant driving.

Reading left to right: Mr. Wetzel, Douglas Simmons, Jean Taylor, Thelma Howland, Mary Wenger, Danny Nicely, Mary Barnasky, Barbara Conrad, Mary Dare Doyle, Helen Marion Currence.

# FOREWORD

The members of the staff are exceedingly proud to submit the Mountain Breeze of 1956. As it is a product of hard but loving labor, it is hoped it will be appreciated fully; for the staff has put forth much effort.

In this Annual we have tried to make the events of the past years stand out as climaxes to very happy school activities, many to be well remembered as time goes on.

Also we wish to express our appreciation for the help and co-operation of Johnny Davis, a sophomore boy, who has done the art work for our Annual.

With the hope that everyone will enjoy this book as much as we have enjoyed the creation of it, we present the 1956 Mountain Breeze.
